

SYNLAWN ARTIFICIAL TURF

A top-quality artificial turf at an affordable price. This synthetic grass provides stunning realism at a budget-friendly, easy-to-install value that is sure to make the neighborhood turn green with envy. SYNLawn is the industry leader in artificial landscape grass for residential and commercial applications. Unlike most synthetic turf companies SYNLawn proudly MAKES what they sell right here in the USA.

- **HeatBlock™ Technology** - The coolest turf in the synthetic turf landscape industry, which makes our turf is roughly 20% cooler than competitor products.
- **EnviroLoc™ Backing System** - An industry leading, sustainable solution built into our SYNLawn branded products.
- **Utilizing Renewable Resources** - Over 70% of the petroleum-based polyol of competitor's turf varieties are replaced with a plant-based polyol made using soybeans.
- **Massive time savings** allows you more time to enjoy your yard instead of working to maintain it.
- **Saves water** resulting in over 50% reduction in personal water use on average.
